Bulletin Notice

Headline: NYS Dept of Transportation Mini-Bid Drainage Projects

Agency: Transportation, NYS Dept. of

Submitted By: Jamey LeClair

Description: NYSDOT is seeking to populate a database of contractors to provide drainage related services of various types for drainage projects throughout the state. Each project will be awarded to the most qualified firm with the lowest bid. The general description of work for each project will be provided at the time of the bid request. The selected contractor will be required to provide labor, materials and equipment to complete the work to the satisfaction of the resident engineer. The work types may include: culvert cleaning, culvert invert paving, culvert sliplining, culvert video inspection, inlet/frame & grate repair, vortech unit/stormwater management maintenance, sweeping and ditching.

Firms interested in being placed in the database should contact Mark Saunders - Drainage Manager, NYSDOT Office of Transportation Maintenance at (518) 457-9686 or Email: Company name, address, type of work your company provides, the counties you're willing to compete for work, and whether you are a NYS small business concern or certified minority or women owned business enterprise, to: dot.sm.mo.transportation.maintenance@dot.ny.gov
